Question 1:

_____ will submit a bid in the tender specified above and I am writing to ask a question related to Form 8 (List of Executed Services – Professional Credentials of the Bidder).

I have extensive experience with State aid in the electricity sector during my almost 10 years in _____ at _____ (my previous employer until April 2017). Some of the projects I worked on are directly linked with the current tender.

Also my colleague at _____, _____, has vast experience with state aid as former economic advisor at the _____.

We believe that this experience has been now acquired by the bidder, i.e. _____, hence we would like to receive your confirmation that our experience can be included in Form 8.

ANSWER 1.

In accordance with Article 77 paragraph 2 of the Law on Public Procurement which reads „Fulfillment of conditions under Article 76 paragraph 2 of this law the tenderer can prove by submitting the evidence along with the tender“, the employer with tender documents for the procurement in item 4.2.1. prescribed that: „**Tenderer** participated in implementation ... and **Tenderer** has advising experience ...“.

Accordingly, personal experience of staff cannot be accepted to be the same as tenderer's business capacity, therefore this experience cannot be included in Form 8.
