Programme for Reconstruction of 15 Small Hydropower Plants

INVITATION FOR TENDERS

Rehabilitation of 7 Small Hydropower Plants in Serbia

This Invitation for Tenders follows the General Procurement Notice for this project which was published on the EBRD website, Procurement Notices (www.ebrd.com) on 9 May 2011 and updated on 31 August 2016.

Public Enterprise "Electric Power Industry of Serbia", Belgrade (EPS) hereinafter referred to as "the Employer", has received a loan from the European Bank for Reconstruction and Development (the Bank) towards the cost of the Programme for Reconstruction of 15 Small Hydropower Plants.

The Employer now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the loan: Procurement of Works for Rehabilitation of 7 Small Hydropower Plants in Serbia. The Works under the Contract will be performed with respect to the following Small Hydropower Plants (SHPP):

1. SHPP Raška, near the City of Novi Pazar
2. SHPP Radaljska Banja, near the Town of Mali Zvornik
3. SHPP Seljašnica, near the Town of Prijepolje
4. SHPP Kratovska Reka, near the Town of Priboj
5. SHPP Pod Gradom, near the City of Užice
6. SHPP Turica, near the City of Užice
7. SHPP Moravica, near the Town of Ivanjica.

The Works on each SHPP shall include, but not be limited to demolition and/or dismantling parts of existing structures, performing earthworks, concrete, reinforcement, masonry and insulation works, metal and aluminium works, facade, painting and drywall works as well as installation of water supply and sewerage system, including supply of pipelines.

Detailed descriptions of Works required for each SHPP are provided in the Tender Documents. The expected duration of Works is 40 weeks.

Tendering for the contract to be financed with the proceeds of a loan from the Bank is open to firms from any country.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- Successful experience as contractor or management contractor in the execution of at least 3 contracts for performing works for construction, reconstruction or rehabilitation of hydropower plants within the last 5 years of a nature and complexity comparable to the proposed contract each for the amount not less than EUR 1,500,000 (One million five hundred thousand Euro) equivalent;
- Sound financial position of the sole tenderer or all joint venture partners over the last 5 years;
- Average annual turnover as prime contractor (defined as billing for works in progress and completed) over the last 5 years (2012 – 2016) of not less than EUR 3,000,000 (Three million Euro) equivalent;
- Availability or access to liquid assets, unencumbered real assets, lines of credit, and other financial means sufficient to meet the cash flow for the contract for a period of 5 months estimated as not less than EUR 300,000 (Three hundred thousand Euro) equivalent and the overall cash flow requirements for this contract, taking into account the tenderer's commitments for other contracts;
- Availability or access to machines and equipment as well as qualified personnel required for timely and successful performance of Works as detailed in the tender documents;
- Other qualification criteria specified in the tender documents.

Tender documents may be obtained from the address below upon payment of a non-refundable fee of EUR 500 (Five hundred Euro):
