Pumping out the silted water and silt in the Open Pit Mine MB Kolubara d.o.o. – Tamnava - West Field
Name and designation from General Procurement Vocabulary: Works on river bed digging and pumping out of water out of mine, 45252124-3

Number and date of conclusion of originally concluded contract in the event of negotiation procedure from Article 36 paragraph 1 item 4) and 5) of the Law:

/

Basis for application of negotiation procedure and data that justify its application:

Reasons for application of subject procedure are: utmost urgency caused by flooding wave that hit the Republic of Serbia in May 2014 that flooded open pit mine Tamnava West Field, thus endangering the operation of electric energy system of the Republic of Serbia. Urgency of pumping out of water is of utmost significance due to direct technical and economic implications to functioning of overall electric energy system of the Republic of Serbia in the next year, about which Public Procurement Office has given its opinion (no. 404-02-2580/14 dated 09.07.2014). For joint implementation of procurement the Public Procurement Office has given its opinion no. (404-02-2590/14 dated 10.07.2014)

Name and address of the persons to whom the employer shall send the invitation for tender submission:
