Belgrade, 29-10-2014

Subject: additional clarifications no. 17 in accordance with Article 63 paragraph 3 of Public Procurement Law ("Official Gazette of the Republic of Serbia" number 124/12) in public procurement procedure **PP number 61/14/DEFP**, for which Invitation to Tender was published on Public Procurement Portal on **10.10.2014**.

Five and more days prior to expiry date foreseen for submission of tenders in subject public procurement procedure, interested party has submitted to the Employer via e-mail request for additional information, i.e. clarifications, regarding which the Employer, i.e. Public Procurement Committee, in accordance with provision of Article 54 paragraph 12 item 1) of the Law shall provide the following information i.e. clarifications within three days from the day of the receipt of the request:

Potential Tenderer asked QUESTION No. 17.1:

"Could you please provide us with information in regards to what is the amount of State's subsidies to EPS as a separate enterprise and in EPS as a whole system in 2013, as well as what is the expected amount in 2014 (cumulatively until the end of the year)?"

To clarify previous question: motive for the question is a statement of Minister Vujovic that the state will no longer subsidize EPS (among other listed enterprises) so the question in that sense is:

How much was the total volume of subsidies in 2013 and 2014, which are expected not to be repeated in the coming years (in accordance with the statement of the Minister ...), what were these referred to and in which positions were they recorded?"

ANSWER of the Employer to QUESTION No. 17.1:

"The state does not subsidize EPS."

These additional clarifications are submitted by email to the applicant and are published on Public Procurement Portal and web site of the Employer.
