No.	Question	Answer
1	Could you please inform what should be the contract currency of the project (foreign currency/local portion)?	Contract currency is to be shown in the Bidding Documents.
2	<p>Company B, reputable in the field of environmental services (including those foreseen by this project), during the course of its operational history, has acquired a company C, which has executed the projects, which completely fulfil the criteria stipulated in the Section III. Qualification Criteria and Requirements, Item 4 - Experience. This acquisition contractually includes also the transfer of the references from the company C to the company B, as well as the exclusive rights to use the references in the operations of the company B.</p> <p>Please, confirm that the company B, in the case as stipulated above, shall be eligible to be qualified as the one fulfilling the requirements as set out in Section III. Qualification Criteria and Requirements, Item 4 - Experience.</p>	Yes.
3	If the answer to the previous question is affirmative, and if the same company B (as given in the previous question) is a subsidiary of the company A (company B is 100% owned by the company A, which is precisely defined in the Extract from the Business Register and the Act of Incorporation of the company B), please confirm that company A shall be eligible to be qualified as the one which fulfils the requirements as set out in the Section III. Qualification Criteria and Requirements, Item 4 - Experience.	Yes.
