Potential Tenderer asked QUESTION No. 46.1:

"I would like to ask for clarification of answer to question 26, that you previously sent (from attachment).

Does that mean that for the tender itself the Model Agreement attached to status documents shall be used, and that the subject of possible further amendments i.e. harmonizations with the Bank shall be provisions that are not relevant elements of the Agreement or is it necessary that all provisions that represent specific business operation of the Bank be defined in Model Agreement all in accordance with the requirements from Tender Documents?"

ANSWER of the Employer to QUESTION No. 46.1 is:

"For the Bid itself, the Bidder uses Model contract attached to the Tender documents, amended in accordance with the Clarifications, and the subject of possible later changes i.e. harmonization with the Bank shall be the provisions that are not important elements of the contract, again all in accordance with the terms from the Tender documents."

These additional clarifications are submitted by email to the applicant and are published on Public Procurement Portal and web site of the Employer.
