

ALEKSANDAR BJELIČIĆ

Executive Director for Supply Joint Stock Company Elektroprivreda Srbije

Aleksandar Bjeličić graduated from the Faculty of Economics at the University of Belgrade.

He began his professional career in Elektroprivreda Srbije in 2014 at the Bajina Basta hydropower plant, where he served as Advisor to the General Director and headed the public procurement control service. He then transitioned to EPS Supply, initially as the Director of the Commercial Planning and Bidding Department, and later as the Director of Supply.

Before joining EPS, he accumulated extensive experience at SAP West Balkans Belgrade and the Coca-Cola Company Belgrade.

He has also successfully completed numerous seminars and training programs.

He is fluent in English and also speaks German.
